123 existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes,
124 homes association dues and fees, special assessments and any other Contractual obligations of SELLER
125 to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be
126 ascertained from the public record, the amount of the item for the preceding year will be used for the
127 current year's amount. However, if the preceding year's taxes were based on a lesser improved property,
128 taxes will be computed and prorated based on the preceding year's mill levy at the current assessed
129 value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within
130 the preceding year and the taxes based on the new value are not available, they will agree to a
131 reasonable estimation of the current year's taxes based on the information available on the Closing Date.
132 BUYER understands that the amount of taxes on the Property may change as a result of reassessment or
133 classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any
134 adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or
135 classification.

136
137 **13. SPECIAL ASSESSMENTS:** In accordance with Kansas law, BUYER hereby acknowledges that, if
138 applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement
139 district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant
140 to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special
141 assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given
142 to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

143 ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.

144 ☒ THE SELLER DISCLOSES the actual annual special assessment tax is \$ 0.

145
146 **14. THIRD PARTY INTEREST.** SELLER and BUYER acknowledge that Broker may have a financial interest in third
147 parties providing specialized services required by this Contract including, but not limited to, lender, title insurance
148 company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be**
149 **responsible for the conduct of third parties providing specialized services whether those services were**
150 **arranged by SELLER, BUYER, or Broker.**

151
152 **15. NOTICES.** Any notice or other communication required may be delivered in person, by facsimile, United States
153 Postal Service, courier service or email to the address set forth in this Contract or such other address or number as
154 shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as
155 of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

156
157 **16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS.** This Contract and all attachments, amendments
158 and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be
159 modified or assigned only by written agreement.

160
161 **17. DEFAULTS AND REMEDIES.** SELLER or BUYER is in default if either fails to comply with any material covenant,
162 agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other
163 party shall have the following remedies, subject to the provisions of Paragraph 12:

164 a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as
165 a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and,
166 at BUYER'S option, pursue any remedy and damages available by law or in equity. If BUYER elects to terminate this
167 Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.

168 b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER
169 as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at
170 SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a
171 penalty or pursue any other remedy and damages available at law or in equity.

172 **If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting**
173 **party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees,**
174 **court costs and other legal expenses incurred by the non defaulting party in connection with the default.**

175
176 **18. SEXUAL PREDATOR NOTICE.** Kansas law requires persons who are convicted of certain crimes,
177 including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you,
178 as the BUYER, desire information regarding those registrants, you may find information on the homepage of
179 the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's
180 office.

181

182 **19. RADON.** Every buyer of residential real property is notified that the property may present exposure to
183 dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-
184 induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-
185 smokers and the second leading cause overall. Kansas law requires sellers to disclose any information
186 known to the seller that shows elevated concentrations of radon gas in residential real property. The
187 Kansas department of health and environment recommends all home-buyers have an indoor radon test
188 performed prior to purchasing or taking occupancy of residential real property. All testing for radon should
189 be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced
190 by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.
191

192 **20. DISCLAIMER.** BUYER acknowledges property is being sold without warranties and guarantees of any kind by
193 SELLER or any broker or agent concerning the condition or value of the property. There are no representations or
194 warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying
195 except as may be fully set forth in writing and signed by them.
196

197 **21. INSPECTIONS.** BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use,
198 conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective
199 date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all
200 earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said
201 conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of
202 BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to
203 conduct inspections and provide a written report from a qualified third party inspector within the inspection period,
204 BUYER shall have waived any rights provided by this inspection clause.

205 SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless
206 any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional
207 fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all
208 applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the
209 best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of
210 and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

211 Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein,
212 BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties
213 of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER
214 understands it has been suggested that inspections be performed, that it is important for BUYER to independently
215 investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at
216 detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the
217 real estate licensees is specifically set out herein:
