- C. In the event that the BUYER fails for any reason to fulfill any of the BUYER'S obligations under this Contract, SELLER may at the SELLER'S option cancel this Contract and, upon the cancellation of this Contract by the SELLER, the Earnest Money shall become the sole property of the SELLER. In the event that the Earnest Money is forfeited by the BUYER as stated in this subsection, all expenses of the sale incurred by the BUYER, SELLER and any real estate licensees involved in the transaction as of the date of cancellation or default, including but not limited to appraisals, credit reports, inspections, repairs, surveys and title insurance, shall be paid prior to any remaining funds from the forfeited Earnest Money being released to the SELLER.

If BUYER and SELLER cannot agree in writing to a Purchase Price that is agreeable to both parties within the time frame allowed under this section, this Contract shall be cancelled and the BUYER'S Earnest Money and any additional deposits shall be returned to the BUYER subject to the provisions of this Contract.

10. **CONDITION OF PROPERTY:**

- ☐ This Contract shall be contingent upon the SELLER's completion of and the BUYER's signature on the Vacant Residential Land Property Disclosure Statement (the "Statement"). BUYER and SELLER agree that all of the homeowners' association charges, special assessments, real estate taxes and any other contractual obligations of the SELLER to be assumed by the BUYER that become due and accrue during the calendar year in which the SELLER'S warranty deed is delivered shall be paid by ☒ BUYER ☐ SELLER ☐ pro-rated between the BUYER and SELLER on the Closing Date.
- C. If the amount of any homeowners' association charges, special assessments, real estate taxes and any other contractual obligations of the SELLER to be assumed by the BUYER cannot be ascertained from the public record for the calendar year in which the SELLER's warranty deed is delivered, BUYER and SELLER agree that the amount of the item for the preceding year shall be used to calculate the current calendar year's amount.
- D. BUYER and SELLER agree that if the Property has been reappraised or reclassified within the preceding year and the actual real estate taxes based on the new value are not available, BUYER and SELLER will agree to a reasonable estimation of the current year's real estate taxes based on the information available on the Closing Date.
- E. BUYER acknowledges that the assessed valuation, classification, mill levy rate and real estate taxes may change from year to year during the BUYER'S ownership of the Property and that any periodic reappraisal required by law may result in a change (and a potential increase) of the real estate taxes due on the Property.
- F. SELLER warrants that the SELLER does not have any knowledge of any easements or sewer, street or other proposed special assessments except as accurately and completely disclosed on the Vacant Residential Land Property Disclosure Statement or the Special Assessment Disclosure Addendum. BUYER and SELLER agree to hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors, from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) resulting from the information the SELLER has given regarding any easements or sewer, street or other proposed special assessments on the Property.

13. SURVEY OF THE PROPERTY:

A. BUYER and SELLER agree that:

- (2) ☒ No "staked" boundary survey will be performed as part of this Contract.

- B. BUYER understands that the lender may order a survey called a "Mortgagee Title Inspection" on the Property, which does not include the staking of property corners. BUYER is also aware that title insurance may not cover survey-related issues, even if a recent survey has been completed. The title policy furnished to the BUYER under this Contract will contain a survey exception under Schedule B unless the BUYER provides a boundary survey to the title company at the BUYER'S expense.
- C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) relating to any acreage matters, boundary line disputes, defects, encroachments, overlaps, or other matters that would have been disclosed or discovered by a survey.

- B. BUYER is STRONGLY ADVISED to seek expert advice and conduct or obtain inspections to determine if damages, defects or hazards exist in and on the Property. BUYER shall be responsible for and pay for any damage to the Property resulting from any inspections conducted or obtained by the BUYER.
- F. If an inspection conducted or obtained by the BUYER reveals Unacceptable Conditions, the BUYER shall provide a copy of the written inspection report to the SELLER and the real estate licensee assisting the SELLER within _____ (ten if left blank) calendar days after the Effective Date of this Contract. An "Unacceptable Condition" means any condition identified in a written inspection report prepared by an independent qualified professional that is unacceptable to the BUYER. BUYER and SELLER agree to provide all written inspection reports to all real estate licensees involved in this transaction.
- G. Upon the receipt of the written inspection report identifying the Unacceptable Conditions, SELLER agrees to complete or pay for the remediation or repair of any Unacceptable Conditions identified by the BUYER, provided that the total cost for all remediation or repairs resulting from the Unacceptable Conditions does not exceed \$_____ (zero if left blank).

- J. BUYER and SELLER agree that any real estate licensees involved in this transaction are not experts regarding whether any unacceptable property conditions exist in and on the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the discovery of property defects or unacceptable property conditions in the Property, unless the real estate licensees had actual knowledge of the conditions prior to the closing of this Contract and failed to disclose this information to the parties.

SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the Property complies with and that SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

16. POTENTIAL PROXIMITY OF REGISTERED OFFENDERS TO PROPERTY:

- A. Kansas state law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you as the BUYER desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the potential proximity of registered offenders to the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the discovery of registered offenders residing within relative proximity to the Property.

17. RADON GAS NOTICE:

- A. Every BUYER of residential real property is notified that the Property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires SELLERS to disclose any information known to the SELLER that shows elevated concentrations of radon gas in residential real property. The Kansas Department of Health and Environment (KDHE) recommends that all home buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can easily be reduced by a radon mitigation technician. For additional information, go to <http://www.kansasradonprogram.org/>.
- B. BUYER understands that neither the SELLER nor any real estate licensees involved in this transaction have made any investigation to determine whether there is or will be radon gas in the Property. Neither the SELLER nor any real estate licensees involved in this transaction make any representations or warranties as to the presence or lack of radon gas in the Property or as to the effect of radon gas or any such condition on the Property on the occupants of the Property. BUYER may, at BUYER'S sole expense, conduct an inspection to determine whether radon gas is present in the Property.
- C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of any radon gas in the Property.

18. POTENTIAL PRESENCE OF PROPERTY IN FLOOD PLAIN:

- A. On a regular basis, the Federal Emergency Management Agency (FEMA) and the United States Corps of Engineers publish updates to flood maps and levee protection systems. As part of these updates, properties that have historically not been included in any special flood hazard areas may, due to changes in mapping or flood protection, become subject to federal flood insurance requirements. If you as the BUYER desire more information on whether the Property is included in a special flood hazard area or an area of flood risk, you may find and review information on this issue at <http://msc.fema.gov/>, <http://www.floodsmart.gov/> and other information may be available through local government planning and zoning offices.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the flood hazard status of the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the flood hazard status of the Property.

19. DELIVERY OF THE DEED:

- A. On or before the Closing Date, SELLER shall execute and deliver a warranty deed and all other documents and funds reasonably necessary to complete the closing of this Contract. The warranty deed shall convey a marketable fee simple title to the Property free and clear of all liens and encumbrances to the BUYER, except as provided otherwise in this Contract.
