BUYER and SELLER agree that Listing Broker or Escrow Agent shall be entitled to reimbursement of its costs incurred in connection with the inter-pleader proceeding including, without limitation, reasonable attorneys' fees and expenses. 10. SURVEY: BUYER may, at BUYER'S expense, obtain a legal survey of the property from an engineer/surveyor licensed in the State of Kansas before the closing date to assure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other matters, that would be disclosed by a survey. Prior to the closing date, BUYER shall notify SELLER of any encroachments of any improvements upon, from, or onto the property or any building setback line, property line, or easement, which encroachment shall be deemed to be a title defect. If SELLER does not remedy the defects in title, BUYER shall have the option of (a) completing this purchase and accepting the title SELLER is able to convey without adjustment in the purchase price, or (b) canceling this Contract.

11. EVIDENCE OF TITLE: Prior to the Closing Date, SELLER, at SELLER'S expense, agrees to deliver to BUYER a title insurance commitment from a company authorized to insure titles in Kansas. The title commitment shall commit to insure a marketable fee simple title to BUYER. However, title to the Property shall be subject to the conditions in this Contract and to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts of record as of the effective date of the title commitment (the "Permitted Exceptions"). If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION: The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
- b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. RADON. Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. DISCLAIMER. BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. INSPECTIONS. BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:

22. AGENCY DISCLOSURE. Legal Description Addendum 2008

ADDENDUM 1

Addendum to contract dated _____ between:
Junction City Land Bank _____ (Sellers) and
C & C Homes, LLC _____ (Buyers) on property located
at 9586,9623,9624,9625,9626 _____

The reference numbers to the lots to be purchased are R9586, R9623, R9624, R9625,R9626.

The buyer agrees to pay for the owner title policy, all the title company settlement fees, and any closing fees, and publication fees associated with the transaction.

Buyers assume all responsibility for verifying with the appropriate providers the suitability of the lot for the buyer's intended purpose. Buyers further acknowledge that there may or may not be electrical power servicing the area, regardless of what may be indicated on the jclandbanklots.com map. Buyers are responsible for verifying whether gas lines and power lines currently exist. Any necessary future improvements to the lots for utilities shall be the responsibility of the buyer(s).

Seller warrants that there are no special assessments for land improvements associated with the lot. Buyer does acknowledge that each lot purchased has storm water fees associated with the lot. Once a water meter is installed, the storm water fees become assessed on the water bill. In the absence of a water bill, storm water fees are assessed at approximately \$40 per lot per year and appear as special assessments on the yearly tax bill.

Buyer understands that the seller will not mow or clear lot of debris prior to or after closing. Buyer further understands that buyer will be responsible for maintaining lot according to city ordinance after closing.
