BUYER and SELLER agree that Listing Broker or Escrow Agent shall be entitled to reimbursement of its costs incurred in connection with the inter-pleader proceeding including, without limitation, reasonable attorneys' fees and expenses. 10. SURVEY: BUYER may, at BUYER'S expense, obtain a legal survey of the property from an engineer/surveyor licensed in the State of Kansas before the closing date to assure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other matters, that would be disclosed by a survey. Prior to the closing date, BUYER shall notify SELLER of any encroachments of any improvements upon, from, or onto the property or any building setback line, property line, or easement, which encroachment shall be deemed to be a title defect. If SELLER does not remedy the defects in title, BUYER shall have the option of (a) completing this purchase and accepting the title SELLER is able to convey without adjustment in the purchase price, or (b) canceling this Contract.

11. EVIDENCE OF TITLE: Prior to the Closing Date, SELLER, at SELLER'S expense, agrees to deliver to BUYER a title insurance commitment from a company authorized to insure titles in Kansas. The title commitment shall commit to insure a marketable fee simple title to BUYER. However, title to the Property shall be subject to the conditions in this Contract and to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts of record as of the effective date of the title commitment (the "Permitted Exceptions"). If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION: The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
- b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. RADON. Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. DISCLAIMER. BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. INSPECTIONS. BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:

- D. BUYER and SELLER agree that if the Property has been reappraised or reclassified within the preceding year and the actual real estate taxes based on the new value are not available, BUYER and SELLER will agree to a reasonable estimation of the current year's real estate taxes based on the information available on the Closing Date.
- E. BUYER acknowledges that the mill levy, classification, assessed valuation and real estate taxes may change from year to year during the BUYER'S ownership of the property and that any periodic reappraisal required by law may result in a change (and a potential increase) of the real estate taxes due on the Property.

(2) ☒ No "staked" boundary survey will be performed as part of this Contract.

B. BUYER understands that the lender may order a survey called a "Mortgagee Title Inspection" on the Property, which does not include the staking of property corners. BUYER is also aware that title insurance may not cover survey-related issues, even if a recent survey has been completed. The title policy furnished to the BUYER under this Contract will contain a survey exception under Schedule B unless the BUYER provides a boundary survey to the title company at the BUYER'S expense.

C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) relating to any acreage matters, boundary line disputes, defects, encroachments, overlaps, or other matters that would have been disclosed or discovered by a survey.

An "Unacceptable Condition" means any condition identified in a written inspection report prepared by an independent qualified professional that is unacceptable to the BUYER. BUYER and SELLER agree to provide all written inspection reports to all real estate licensees involved in this transaction.
- G. Upon the receipt of the written inspection report identifying the Unacceptable Conditions, SELLER agrees to complete or pay for the remediation or repair of any Unacceptable Conditions identified by the BUYER, provided that the total cost for all remediation or repairs resulting from the Unacceptable Conditions does not exceed \$ _____ (zero if left blank).

SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the Property complies with and that SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

16. POTENTIAL PROXIMITY OF REGISTERED OFFENDERS TO PROPERTY:

- A. Kansas state law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the potential proximity of registered offenders to the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the discovery of registered offenders residing within relative proximity to the Property.

17. RADON GAS NOTICE:

- A. Every BUYER of residential real property is notified that the Property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires SELLERS to disclose any information known to the SELLER that shows elevated concentrations of radon gas in residential real property. The Kansas Department of Health and Environment (KDHE) recommends that all home buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can easily be reduced by a radon mitigation technician. For additional information, go to <http://www.kansasradonprogram.org/>.
- B. BUYER understands that neither the SELLER nor any real estate licensees involved in this transaction have made any investigation to determine whether there is or will be radon gas in the Property. Neither the SELLER nor any real estate licensees involved in this transaction make any representations or warranties as to the presence or lack of radon gas in the Property or as to the effect of radon gas or any such condition on the Property on the occupants of the Property. BUYER may, at BUYER'S sole expense, conduct an inspection to determine whether radon gas is present in the Property.
- C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of any radon gas in the Property.

18. POTENTIAL PRESENCE OF PROPERTY IN FLOOD PLAIN:

- A. On a regular basis, the Federal Emergency Management Agency (FEMA) and the United States Corps of Engineers publish updates to flood maps and levee protection systems. As part of these updates, properties that have historically not been included in any special flood hazard areas may, due to changes in mapping or flood protection, become subject to federal flood insurance requirements. If you, as the BUYER, desire more information on whether the Property is included in a special flood hazard area or an area of flood risk, you may find and review information on this issue at <http://msc.fema.gov/>, <http://www.floodsmart.gov/> and other information may be available through local government planning and zoning offices.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the flood hazard status of the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the flood hazard status of the Property.

19. DELIVERY OF THE DEED:

- A. On or before the Closing Date, SELLER shall execute and deliver a warranty deed and all other documents and funds reasonably necessary to complete the closing of this Contract. The warranty deed shall convey a marketable fee simple title to the Property free and clear of all liens and encumbrances to the BUYER, except as provided otherwise in this Contract.

- ☒ This Contract shall not be contingent upon the SELLER'S completion of and the BUYER'S signature on the Residential Property Disclosure Statement. SELLER agrees and acknowledges that this does not relieve the SELLER of the obligation to disclose all material facts actually known about the condition of the Property to the BUYER.

11. PAYMENT OF HOMEOWNERS' ASSOCIATION CHARGES, SPECIAL ASSESSMENTS AND TAXES:

- A. SELLER represents and warrants that all of the homeowners' association charges, special assessments, real estate taxes and any other contractual obligations of the SELLER to be assumed by the BUYER that are currently due and payable for years prior to the current calendar year shall be paid by the SELLER.
- B. BUYER and SELLER agree that all of the homeowners' association charges, special assessments, real estate taxes and any other contractual obligations of the SELLER to be assumed by the BUYER that become due and accrue during the calendar year in which the SELLER'S warranty deed is delivered shall be paid by ☐ BUYER ☐ SELLER ☐ pro-rated between the BUYER and SELLER on the Closing Date.
- C. If the amount of any homeowners' association charges, special assessments, real estate taxes and any other contractual obligations of the SELLER to be assumed by the BUYER cannot be ascertained from the public record for the calendar year in which the SELLER'S warranty deed is delivered, BUYER and SELLER agree that the amount of the item for the preceding year shall be used to calculate the current calendar year's amount.
- D. BUYER and SELLER agree that if the Property has been reappraised or reclassified within the preceding year and the actual real estate taxes based on the new value are not available, BUYER and SELLER will agree to a reasonable estimation of the current year's real estate taxes based on the information available on the Closing Date.
- E. BUYER acknowledges that the mill levy, classification, assessed valuation and real estate taxes may change from year to year during the BUYER'S ownership of the property and that any periodic reappraisal required by law may result in a change (and a potential increase) of the real estate taxes due on the Property.
- F. SELLER warrants that the SELLER does not have any knowledge of any easements or sewer, street or other proposed special assessments except as accurately and completely disclosed on the Vacant Residential Land Property Disclosure Statement or the Special Assessment Disclosure Addendum. BUYER and SELLER agree to hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors, from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) resulting from the information the SELLER has given regarding any easements or sewer, street or other proposed special assessments on the Property.

12. HOMEOWNERS' ASSOCIATION OR COMMON INTEREST COMMUNITY:

SELLER'S INITIALS

B. To the best of the SELLER'S knowledge:

- ☒ There is no active homeowners' association or common interest community in the area and the Property is not subject to any assessments, charges, dues or fees. SELLER has never been billed or paid any assessments, charges, dues or fees for the Property and, to the best of the SELLER'S knowledge, there are no such assessments, charges, dues or fees outstanding on the Property that might form the basis of a lien imposed upon the Property.
- ☐ SELLER discloses and BUYER acknowledges that the Property is subject to a homeowners' association or other common interest community and that an assessment, charge, dues or fee shall be assessed against the Property in the amount of \$ _____ per ☐ month ☐ quarter ☐ year and are subject to adjustment at the sole discretion of the homeowners' association or common interest community. SELLER agrees to provide a current copy of any bylaws, declarations, covenants and rules and regulations of the homeowners' association or common interest community to the BUYER prior to the Closing Date.
- C. SELLER warrants that the SELLER has no knowledge of whether the Property is subject to a homeowners' association or other common interest community for which the Property shall be subject to any assessments, charges, dues or fees except as accurately and completely disclosed in this Contract or any addendums to this Contract. SELLER agrees to defend, indemnify and hold the BUYER harmless from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) resulting from an obligation for payment of any assessments, charges, dues or fees to any homeowners' association or common interest community that were due prior to the Closing Date.
- D. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) resulting from the information the SELLER has provided to the BUYER regarding homeowners' associations or other common interest communities.

13. SURVEY OF THE PROPERTY:

- A. BUYER and SELLER agree that:
- (1) ☐ A "staked" boundary survey of the Property shall be obtained at the ☐ BUYER'S expense ☐ SELLER'S expense ☐ divided equally between the BUYER'S and SELLER'S expense; or
- (2) ☒ No "staked" boundary survey will be performed as part of this Contract.
- B. BUYER understands that the lender may order a survey called a "Mortgagee Title Inspection" on the Property, which does not include the staking of property corners. BUYER is also aware that title insurance may not cover survey-related issues, even if a recent survey has been completed. The title policy furnished to the BUYER under this Contract will contain a survey exception under Schedule B unless the BUYER provides a boundary survey to the title company at the BUYER'S expense.
- C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) relating to any acreage matters, boundary line disputes, defects, encroachments, overlaps, or other matters that would have been disclosed or discovered by a survey.
- D. SELLER represents and warrants that there is ingress and egress to the Property.

14. LIENS ON THE PROPERTY:

- A. SELLER represents and warrants that there are no unpaid chattel mortgages, conditional sales contracts, financing statements or security agreements (whether recorded or not) affecting any fixture, portion of the Property or item of personal property included in the sale of the Property under this Contract.

BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, losses or suits (including reasonable attorneys' fees) resulting from any unpaid chattel mortgages, conditional sales contracts, financing statement, liens or security agreements on the Property or any personal property included in the sale of the Property under this Contract.

15. INSPECTIONS OF THE PROPERTY:

- A. Subject to any inspections permitted by this Contract and the potential cancellation of the Contract due to the discovery of Unacceptable Conditions contained in this section, **BUYER AGREES TO PURCHASE AND ACCEPT THE PROPERTY AS IS IN ITS CURRENT CONDITION ONLY, WITHOUT GUARANTEES, REPRESENTATIONS OR WARRANTIES OF ANY KIND BY THE SELLER OR ANY REAL ESTATE LICENSEES INVOLVED IN THIS TRANSACTION CONCERNING THE CONDITION OR VALUE OF THE PROPERTY.** This shall not be deemed to be a waiver or modification of any implied warranties that may exist.
- B. BUYER is **STRONGLY ADVISED** to seek expert advice and conduct or obtain inspections to determine if damages, defects or hazards exist in and on the Property. If inspections are not performed on all or part of the Property, BUYER shall be bound by whatever information an inspection would have revealed and waives any claim, right or cause of action relating to or arising from any condition of the Property that would have been apparent had inspections been performed.
- C. BUYER shall ☐ carefully inspect the Property ☒ waive the right to conduct due diligence and conduct or obtain inspections on the Property. BUYER agrees that the BUYER was given the right to conduct due diligence and conduct or obtain inspections on the Property and that any inspections not conducted or obtained were waived by the BUYER.

- E. SELLER agrees to provide BUYER and any qualified professionals engaged by the BUYER with reasonable access to the Property to conduct inspections, re-inspections, inspections of any corrective measures completed by the SELLER and final walk-throughs prior to closing. BUYER shall be responsible for and pay for any damage to the Property resulting from any inspections conducted or obtained by the BUYER.
- F. If an inspection conducted or obtained by the BUYER reveals Unacceptable Conditions, the BUYER shall provide a copy of the written inspection report to the SELLER and the real estate licensee assisting the SELLER within _____ (ten if left blank) calendar days after the Effective Date of this Contract. An "Unacceptable Condition" means any condition identified in a written inspection report prepared by an independent qualified professional that is unacceptable to the BUYER. BUYER and SELLER agree to provide all written inspection reports to all real estate licensees involved in this transaction.
- G. Upon the receipt of the written inspection report identifying the Unacceptable Conditions, SELLER agrees to complete or pay for the remediation or repair of any Unacceptable Conditions identified by the BUYER, provided that the total cost for all remediation or repairs resulting from the Unacceptable Conditions does not exceed \$ _____ (zero if left blank).
- H. If the costs of the remediation or repair for Unacceptable Conditions exceed the amount specified above, the BUYER and SELLER shall agree in writing whether the BUYER, SELLER or both parties shall pay and in what amounts for the excess costs for remediation or repair of the Unacceptable Conditions. If the BUYER and SELLER cannot agree on the payment of the excess costs to remediate or repair the Unacceptable Conditions identified by the BUYER, this Contract shall be cancelled and any Earnest Money shall be returned to the BUYER subject to the provisions of this Contract.
- I. BUYER agrees and acknowledges that no important representations of the SELLER nor any real estate licensees involved in this transaction concerning the condition of the Property are being relied upon by the BUYER except as disclosed as follows:

- J. BUYER and SELLER agree that any real estate licensees involved in this transaction are not experts regarding whether any unacceptable property conditions exist in and on the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the discovery of property defects or unacceptable property conditions in the Property, unless the real estate licensees had actual knowledge of the conditions prior to the closing of this Contract and failed to disclose this information to the parties.

- K. BUYER and SELLER jointly and severally agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees and professional fees) incurred in connection with any preventative, remedial or other cleanup action necessary to comply with all applicable federal, state and local environmental laws, rules, regulations and ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the Property complies with and that SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

16. POTENTIAL PROXIMITY OF REGISTERED OFFENDERS TO PROPERTY:

- A. Kansas state law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the potential proximity of registered offenders to the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the discovery of registered offenders residing within relative proximity to the Property.

17. RADON GAS NOTICE:

- A. Every BUYER of residential real property is notified that the Property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires SELLERS to disclose any information known to the SELLER that shows elevated concentrations of radon gas in residential real property. The Kansas Department of Health and Environment (KDHE) recommends that all home buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can easily be reduced by a radon mitigation technician. For additional information, go to <http://www.kansasradonprogram.org/>.
- B. BUYER understands that neither the SELLER nor any real estate licensees involved in this transaction have made any investigation to determine whether there is or will be radon gas in the Property. Neither the SELLER nor any real estate licensees involved in this transaction make any representations or warranties as to the presence or lack of radon gas in the Property or as to the effect of radon gas or any such condition on the Property on the occupants of the Property. BUYER may, at BUYER'S sole expense, conduct an inspection to determine whether radon gas is present in the Property.
- C. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of any radon gas in the Property.

18. POTENTIAL PRESENCE OF PROPERTY IN FLOOD PLAIN:

- A. On a regular basis, the Federal Emergency Management Agency (FEMA) and the United States Corps of Engineers publish updates to flood maps and levee protection systems. As part of these updates, properties that have historically not been included in any special flood hazard areas may, due to changes in mapping or flood protection, become subject to federal flood insurance requirements. If you, as the BUYER, desire more information on whether the Property is included in a special flood hazard area or an area of flood risk, you may find and review information on this issue at <http://msc.fema.gov/>, <http://www.floodsmart.gov/> and other information may be available through local government planning and zoning offices.
- B. BUYER and SELLER agree that any real estate licensees involved in this transaction owe no duty or obligation to the BUYER to conduct an independent investigation as to the flood hazard status of the Property. BUYER and SELLER agree to defend, indemnify and hold harmless any real estate licensees involved in this transaction and their agents, sub-agents, employees and independent contractors from and against any and all actions, claims, damages, demands, expenses, liabilities, losses or suits (including reasonable attorneys' fees) arising out of the flood hazard status of the Property.

19. DELIVERY OF THE DEED:

- A. On or before the Closing Date, SELLER shall execute and deliver a warranty deed and all other documents and funds reasonably necessary to complete the closing of this Contract. The warranty deed shall convey a marketable fee simple title to the Property free and clear of all liens and encumbrances to the BUYER, except as provided otherwise in this Contract.

- C. On or before the Closing Date, BUYER and SELLER agree to deliver to the closing agent a cashier's check or other certified funds sufficient to satisfy their respective obligations under this Contract. SELLER acknowledges that the disbursement of the proceeds may be made after the warranty deed, instrument of conveyance, mortgage or deed of trust has been recorded.

20. TITLE EVIDENCE:

- A. At least three calendar days prior to the Closing Date, SELLER shall cause to be furnished to the BUYER a title insurance company's written commitment "title binder" to issue after closing a title insurance policy in an amount equal to the full Purchase Price naming the BUYER as the insured. A copy of the title binder shall be furnished to the mortgage lender and the BUYER'S attorney (if any) as promptly as possible. BUYER agrees and acknowledges that the SELLER may receive a BUILDER'S discount on the title insurance policy.
- B. The title binder shall show marketable title vested in the SELLER, subject to the following:
 - (1) Easements, mineral rights and reservations of record, encroachments that would be disclosed by a survey, rights-of-way of record, trees, plantings and fences on the Property;
 - (2) Restrictions and protective covenants of record, provided that no forfeiture provisions are contained therein;
 - (3) Un-matured special assessments, zoning laws, ordinances and regulations;
 - (4) Rights of tenants in possession;
 - (5) Liens (if any) described herein; and
 - (6) Those exceptions that are standard in the title company's Form B as specified therein.

- D. ☐ BUYER ☐ SELLER ☐ BUYER and SELLER equally shall pay for any owner's title insurance coverage. SELLER shall be responsible to use due diligence to resolve any title defects at the SELLER'S expense subject to the foregoing exceptions.
- E. In the event that the SELLER is unable to furnish marketable title subject to the foregoing exceptions and this Contract is cancelled due to this inability to furnish marketable title, the Earnest Money shall be refunded promptly to the BUYER subject to the provisions of this Contract and the SELLER shall reimburse to the BUYER the cost of the BUYER'S accrued loan costs, attorneys' fees for examining title and title insurance cancellation fees and all parties shall be released from any further liability under this Contract.

- B. The mailing address for the delivery of any notices under this Contract to any party shall be the mailing address referenced in this Contract, unless the party specifically requests in writing that a different mailing address be used to deliver notices under this Contract.
- C. The notice shall be deemed to be delivered upon the date of receipt. Delivery to a real estate licensee working with the party shall be treated as the same as delivery to the party.

22. DEFAULT AND REMEDIES:

- A. A party (either the BUYER or SELLER) to this Contract shall be in default under this Contract when the party fails to comply with any material condition, term or obligation of the Contract in the time period required by the Contract. Upon default, the parties shall have the remedies set forth below:
 - (1) Upon default by the SELLER, BUYER may seek to: (1) have the Contract specifically enforced and recover any damages caused by the SELLER'S delay in performing the Contract; or (2) terminate the Contract and, if the BUYER chooses, pursue any damages the BUYER incurred as a result of the SELLER'S breach of the Contract. 23. CONTRACT BINDING ON ASSIGNS AND HEIRS: This Contract shall be fully binding upon the parties and their administrators, assigns, executors, heirs and successors except as limited by this Contract.

24. Agenda Memo

05-04-2021

From: Allen Dinkel, City Manager

To: Land Bank Board

Subject: Land Bank Offer

Objective: Consider offer to purchase a Land Bank lot.

Explanation of Issue: C and C Homes, LLC is offering to purchase Lots 4, 5, 6, & 7 Block 3 of Olivia Farms Subdivision for \$4,000.00. These lots do not have utilities.

Options:

1. Accept the offer
2. Reject the Offer
3. Counter the Offer

Staff Recommendation: This offer is from Shawn and Brad Chauncey. It is a bit of a unique situation. They have a current contract to purchase the lots next to these 4 lots. Power has to be run to service the lots on which they have a contract. In order to run the power to the initial lots, they will have to pay for service through these lots. Since they are absorbing the cost of the power, they would like to own these lots as well and not run the risk of someone else buying these lots once power is run to them.

BUYER and SELLER agree that the Listing Broker or Escrow Agent may retain any interest earned on escrowed funds. If this Contract is terminated by the express provisions of this Contract or by either party pursuant to a right expressly given in this Contract, the Earnest Money and Additional Deposits shall be returned to BUYER, and neither party shall have any further rights or obligations under this Contract, except as otherwise stated. **Provided, notwithstanding any other terms of this Contract providing for the forfeiture or refund of Earnest Money and Additional Deposits, the parties understand that neither the Listing Broker nor the Escrow Agent can distribute the Earnest Money and Additional Deposits without the written consent of all parties.** If BUYER and SELLER can't agree upon the disposition of the Earnest Money and Additional Deposits or any other funds, Listing Broker or Escrow Agent may commence an inter-pleader action. BUYER and SELLER agree that Listing Broker or Escrow Agent shall be entitled to reimbursement of its costs incurred in connection with the inter-pleader proceeding including, without limitation, reasonable attorneys' fees and expenses. In the absence of a dispute or written consent to distribution, the failure by either to respond in writing to a certified letter from Listing Broker or Escrow Agent within 7 days of receipt or failure to make written demand for return or forfeiture of the Earnest Money and Additional Deposits within thirty (30) days of notice of cancellation of this Contract shall constitute consent to distribution of the Earnest Money and Additional Deposits as suggested in such certified letter.

10. SURVEY: BUYER may, at BUYER'S expense, obtain a legal survey of the property from an engineer/surveyor licensed in the State of Kansas before the closing date to assure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other matters, that would be disclosed by a survey. Prior to the closing date, BUYER shall notify SELLER of any encroachments of any improvements upon, from, or onto the property or any building setback line, property line, or easement, which encroachment shall be deemed to be a title defect. If SELLER does not remedy the defects in title, BUYER shall have the option of (a) completing this purchase and accepting the title SELLER is able to convey without adjustment in the purchase price, or (b) canceling this Contract.

11. EVIDENCE OF TITLE: Prior to the Closing Date, SELLER, at SELLER'S expense, agrees to deliver to BUYER a title insurance commitment from a company authorized to insure titles in Kansas. The title commitment shall commit to insure a marketable fee simple title to BUYER. However, title to the Property shall be subject to the conditions in this Contract and to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts of record as of the effective date of the title commitment (the "Permitted Exceptions"). If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION: The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.

b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. RADON. Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. DISCLAIMER. BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. INSPECTIONS. BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:

22. AGENCY DISCLOSURE. 88 neither party shall have any further rights or obligations under this Contract, except as otherwise stated. **Provided,**

117 contract.
118

119 **12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION:** The parties agree that all of the
120 following which become due and accrue during the calendar year in which SELLER'S warranty deed is
121 delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of
122 the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
- b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. **RADON.** Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. **DISCLAIMER.** BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. **INSPECTIONS.** BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:
