Agenda Memo

12-07-2021

From: Allen Dinkel, City Manager
To: Land Bank Board
Subject: **Land Bank Policies Discussion**

Objective: We have scheduled time to discuss the Land Bank policies and changes that may need to be made. Lance Custer will be at the meeting to take part as well.

Attached is information he now gives to other realtors regarding Land Bank lots.

LOT PURCHASES FAQ

All agents should carefully read the FAQ prior to writing and submitting an offer. There is also a checklist to be followed by the agent regarding which items must be attached to the offer.

Lot Prices

The price of each lot is \$5000. The only times the price may be negotiable is:

1. if the purchaser is a current USD 475 employee in which case the 1st lot is \$1000
2. The lot displays as not having power to the lot (red on jclandbanklots.com)
3. The buyer is able to provide written proof through Planning & Zoning that the lot is not buildable

Items to Include in Contract

1. The land bank does not pay customary title ins. fees, settlement fees & publication fees. These are buyer fees.
2. The buyer chooses his/her own title company.

Website

Lots are displayed on jclandbanklots.com. There is a legend in the upper left corner. If the lot is white, it is not owned by the land bank. Geary County maintains the website. Due to the timeliness of the land bank meetings and dates of submissions of offers, the site might not fully reflect current offers or pending contracts. Prior to making an offer, purchasers should verify the status of power with DS & O no matter what color the lots display on the website.

USD 475 Employees

The land bank is offering USD 475 employees the opportunity to purchase 1 lot with power for \$1000. The intent of this offer is to encourage the employees to build a house. It is not a guarantee to the employee or an entitlement to purchase a lot. The first lot is \$1000 and subsequent purchases are \$5000. The offer must include verbiage in the addendum that the purchaser is a current employee of USD 475. A copy of the badge must be attached and written proof of employment (letter from HR) may be required.

Lots Without Power

The land bank will consider the sale of lots without power on a case by case basis only. The price is \$5000 & there is no minimum price. The selling agent must direct the buyer to contact the appropriate service providers about the cost and availability of utilities prior to writing the offer. In certain areas, it can be quite expensive to add power/gas for lots. The listing company & the land bank make absolutely no guarantees about the suitability of power or building on a lot. There is no guarantee of a sale of these lots at any price. The cost to add any and all utilities shall be the cost of the purchaser. As stated in the addendum, the purchaser should

Lots in the NW corner of Sutter Highlands (effective Sept 1, 2021)

The JC Land Bank had previously been in discussion with USD 475 about lots in the NW corner of Sutter Highlands. The Land Bank has decided to sell those lots. All lots will be available for sale.

Special Assessments

The special assessments for improvements have been removed from the lots. Please make sure your buyer is aware that when there is no water service to a lot that the storm water fees normally assessed to a lot will appear as special assessments on the tax bill. The cost is about \$30-\$40 per year per lot and should be removed when a water meter is installed and water is billed. A lot with no water meter will be billed the storm water fees & will show as special assessments on the tax bill.

Time Requirement for Building

There is currently no requirement to build and no timeline in place for building.

Closing Dates & Expiration Dates

The land bank meetings generally take place on the 1st and 3rd Tuesdays of each month. Closing dates for lots should be written in the contract at least 60 days out regardless of transaction type: cash or financed. There is a 30 day publication period after the contract has been signed whereby the sale must be published in a local periodical. There are no exceptions to this. Likewise, please do not place an expiration date in the contract as you may have to submit a new contract in order to accommodate an expiration date.

Adjacent Lot Purchases

Please direct buyers to contact the city inspection office and the Geary County Planning and Zoning Office (785-530-5399) prior to writing an offer if a buyer wants to buy a lot next to an existing home/lot. Owning 2 adjacent lots is not a guarantee that a fence can be extended to the vacant lot or a shed/shop can be built on an adjacent vacant lot. There are also lender considerations. The city and listing company make no warranties that buyers can do this.

Effective 9/14/19, the Planning and Zoning Office has provided notice that current building restrictions do not allow a homeowner to build an accessory structure (shed) on an adjoining lot without combining the 2 lots into 1 tax parcel. Combining the 2 lots into 1 tax parcel where a mortgage exists on the primary property requires that the mortgage be amended and refinanced, which in this case could constitute a refinance of a mortgage.

Purchases of Lots Behind Existing Homes/Lots

The land bank discourages and will not sell lots to purchasers who want to buy the lot behind another lot. The land bank wants to preserve the conformity and uniformity of a neighborhood. They most definitely will not allow a fence, shed or shop.

Covenants and Restrictions

Many of the subdivisions contain covenants and restrictions. It is the selling agent's responsibility to share a copy of the covenants and restrictions with the potential purchaser prior to writing the offer. CCR have been attached in the MLS documents.

Offer Submission Process

Land Bank meetings generally take place on the 1st and 3rd Tuesdays of each month just prior to the commission meeting. Offers to purchase land bank lots must be submitted no later than the end of business day on the Thursday prior to the next Land Bank meeting. Offers received later will appear on the following meeting's agenda. The purpose of this is to allow the land bank to do any necessary research, prepare paperwork and follow the published agenda. This is also 1 of the reasons for the requested 60 day closing period. All offers should be submitted to the listing agent who then submits to the land bank.

Building Incentive

As per land bank regulations, anyone who purchases a lot for \$5000 and builds a house on said lot within the first year is eligible for a rebate of \$4000 if the certificate of occupancy is issued within 1 year of deed conveyance. If the CO is issued within 2 years, the rebate is \$3000. There is no rebate beyond 2 years of deed conveyance and the rebate only applies to 1 lot. This rebate offer is only valid for 1 lot, 1 time.

Addendum

There is a sample addendum attached under documents. Please help the city clerk and land bank committee by following this system.

Use a vacant land contract through FHAR.

Put the address of the property using the county ref # and the street name, ie. R1245 Sutter Woods Road

Please re-type your addendum and add the reference # as well as the verbiage about utilities, who pays title fees and that the city will not clean up or mow the lot.

Check to make sure your legal description is correct.

Attach the aerial view which shows the street name and reference # and have your buyer sign. This helps the land bank and the city.

This page, Lot Purchases FAQ, is for agents. Please don't have the buyer sign it. We don't need a signed copy.

6. **FINANCING TERMS. NEW MORTGAGE:** This contract is contingent upon Buyer being approved for a mortgage loan on the subject property in an amount of up to \$ _____ from _____ at an interest rate of not more than _____ % per annum, for a term of _____ years. If Buyer is disapproved for said loan then this contract shall be null and void and the earnest money shall be returned to Buyer, subject to the provisions of this contract. Approval/disapproval of financing shall be in writing from Buyer's lender, and Buyer shall make application for said financing within five (5) days of the Effective Date of this contract, immediately pay all application fees required by the lender and promptly submit any documentation or information requested or required by the lender.

7. **APPRAISED VALUE CONTINGENCY:** If the final appraised value of the Property, as determined by BUYER'S appraiser, is not equal to or greater than the purchase price, BUYER may cancel this Contract by written notice to SELLER, which notice shall be accompanied by a copy of the appraisal. If within five (5) days after receipt of BUYER'S notice of intent to cancel SELLER does not agree in writing to reduce the purchase price to an amount equal to the final appraised value of the Property, as determined by BUYER'S appraiser; or BUYER and SELLER fail to agree in writing on an acceptable sale price, this Contract shall be canceled and BUYER'S earnest money and any additional deposits shall be returned to BUYER subject to the provisions of Paragraph 9 of this Contract.

8. **MAINTENANCE:** Until possession or closing, whichever occurs earlier, SELLER shall: maintain the Property in its present condition, remove all possessions, trash, debris and perform ordinary and necessary maintenance to the property.

9. **EARNEST MONIES AND ADDITIONAL DEPOSITS:** Any Earnest Money or Additional Deposits shall be deposited within five (5) business days of the Effective Date, in an escrow account maintained by Listing Broker or Escrow Agent. BUYER and SELLER agree that the Listing Broker or Escrow Agent may retain any interest earned on escrowed funds. If this Contract is terminated by the express provisions of this Contract or by either party pursuant to a right expressly given in this Contract, the Earnest Money and Additional Deposits shall be returned to BUYER, and neither party shall have any further rights or obligations under this Contract, except as otherwise stated. **Provided, notwithstanding any other terms of this Contract providing for the forfeiture or refund of Earnest Money and Additional Deposits, the parties understand that neither the Listing Broker nor the Escrow Agent can distribute the Earnest Money and Additional Deposits without the written consent of all parties.** If BUYER and SELLER can't agree upon the disposition of the Earnest Money and Additional Deposits or any other funds, Listing Broker or Escrow Agent may commence an inter-pleader action. BUYER and SELLER agree that Listing Broker or Escrow Agent shall be entitled to reimbursement of its costs incurred in connection with the inter-pleader proceeding including, without limitation, reasonable attorneys' fees and expenses. In the absence of a dispute or written consent to distribution, the failure by either to respond in writing to a certified letter from Listing Broker or Escrow Agent within 7 days of receipt or failure to make written demand for return or forfeiture of the Earnest Money and Additional Deposits within thirty (30) days of notice of cancellation of this Contract shall constitute consent to distribution of the Earnest Money and Additional Deposits as suggested in such certified letter.

10. **SURVEY:** BUYER may, at BUYER'S expense, obtain a legal survey of the property from an engineer/surveyor licensed in the State of Kansas before the closing date to assure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other matters, that would be disclosed by a survey. Prior to the closing date, BUYER shall notify SELLER of any encroachments of any improvements upon, from, or onto the property or any building setback line, property line, or easement, which encroachment shall be deemed to be a title defect. If SELLER does not remedy the defects in title, BUYER shall have the option of (a) completing this purchase and accepting the title SELLER is able to convey without adjustment in the purchase price, or (b) canceling this Contract.

11. **EVIDENCE OF TITLE:** Prior to the Closing Date, SELLER, at SELLER'S expense, agrees to deliver to BUYER a title insurance commitment from a company authorized to insure titles in Kansas. The title commitment shall commit to insure a marketable fee simple title to BUYER. However, title to the Property shall be subject to the conditions in this Contract and to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts of record as of the effective date of the title commitment (the "Permitted Exceptions"). If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. **TAX PRORATION, REASSESSMENT AND CLASSIFICATION:** The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**
☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____
☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
 - b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.
- If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.**

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. **RADON.** Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. **DISCLAIMER.** BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. **INSPECTIONS.** BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guarantees of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:

22. **AGENCY DISCLOSURE.** SELLER AND BUYER HEREBY ACKNOWLEDGE THAT THE REAL ESTATE BROKERAGE RELATIONSHIPS BROCHURE HAS BEEN FURNISHED TO THEM, AND THAT THE BROKERAGE RELATIONSHIPS WERE DISCLOSED TO THEM OR THEIR RESPECTIVE AGENTS AND/OR TRANSACTION BROKERS NO LATER THAN THE FIRST SHOWING, UPON FIRST CONTACT, OR IMMEDIATELY UPON THE OCCURRENCE OF ANY CHANGE TO THAT RELATIONSHIP.

Seller warrants that there are no special assessments for land improvements associated with the lot. Buyer does acknowledge that each lot purchase has storm water fees associated with the lot. Once the water meter is installed and in use, the storm water fees become assessed on the water bill. In the absence of a water bill, storm water fees are currently assessed of approximately \$40 per lot per year and appear as special assessments on the yearly tax bill.

Buyer understands that the seller will not mow or clear lot of debris prior to or after closing.

10. SURVEY: BUYER may, at BUYER'S expense, obtain a legal survey of the property from an engineer/surveyor licensed in the State of Kansas before the closing date to assure that there are no defects, encroachments, overlaps, boundary line or acreage disputes, or other matters, that would be disclosed by a survey. Prior to the closing date, BUYER shall notify SELLER of any encroachments of any improvements upon, from, or onto the property or any building setback line, property line, or easement, which encroachment shall be deemed to be a title defect. If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION: The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

14. THIRD PARTY INTEREST. SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
- b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. RADON. Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. DISCLAIMER. BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. INSPECTIONS. BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:

22. AGENCY DISCLOSURE. If BUYER notifies SELLER in writing of any objections to title, SELLER shall then make a good faith effort to remedy the defects in title. If SELLER does not remedy the title defects before the closing date, BUYER may elect to waive the objections, extend the closing date a reasonable time for SELLER to remedy the defects or cancel this contract.

12. TAX PRORATION, REASSESSMENT AND CLASSIFICATION: The parties agree that all of the following which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered shall be prorated between the parties as of the Closing Date and, for all years thereafter, all of the following, to the extent permitted by applicable law, shall be assumed and paid by BUYER, interest on

existing loans to be assumed by BUYER, all general/state/county/school and municipal real estate taxes, homes association dues and fees, special assessments and any other Contractual obligations of SELLER to be assumed by BUYER. If the amount of any item to be prorated for the current year cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. However, if the preceding year's taxes were based on a lesser improved property, taxes will be computed and prorated based on the preceding year's mill levy at the current assessed value, if ascertainable. The parties agree that if the Property has been re-appraised or reclassified within the preceding year and the taxes based on the new value are not available, they will agree to a reasonable estimation of the current year's taxes based on the information available on the Closing Date. BUYER understands that the amount of taxes on the Property may change as a result of reassessment or classification, and the parties agree that neither SELLER nor the Broker shall be responsible for any adjustment or payment of the taxes to either SELLER or BUYER as a result of reassessment or classification.

13. SPECIAL ASSESSMENTS: In accordance with Kansas law, BUYER hereby acknowledges that, if applicable, SELLER has disclosed to BUYER that the subject property is located in an improvement district created pursuant to Kansas law and is or may be subject to a special assessment or fee pursuant to Kansas law. Furthermore, SELLER has disclosed to BUYER the amount of any applicable special assessment or fee or, if the amount of such special assessment or fee is unknown to SELLER, has given to BUYER a good faith estimation of such special assessment or fee. **(Check one):**

- ☐ THE SELLER DISCLOSES the estimated annual special assessment tax is _____.
- ☐ THE SELLER DISCLOSES the actual annual special assessment tax is _____.

SELLER and BUYER acknowledge that Broker may have a financial interest in third parties providing specialized services required by this Contract including, but not limited to, lender, title insurance company, escrow agent, Closing Agent, and inspectors. **SELLER and BUYER agree that Broker shall not be responsible for the conduct of third parties providing specialized services whether those services were arranged by SELLER, BUYER, or Broker.**

15. NOTICES. Any notice or other communication required may be delivered in person, by facsimile, United States Postal Service, courier service or email to the address set forth in this Contract or such other address or number as shall be furnished in writing by any such party. Such notice or communication shall be deemed to have been given as of the date and time so delivered. Delivery to or receipt by a party's licensee shall constitute delivery to the party.

16. ENTIRE AGREEMENT AND MANNER OF MODIFICATIONS. This Contract and all attachments, amendments and addenda constitute the complete agreement of the parties, supersede all previous agreements, and may be modified or assigned only by written agreement.

17. DEFAULTS AND REMEDIES. SELLER or BUYER is in default if either fails to comply with any material covenant, agreement or obligation within any time limits required. Following a default by either SELLER or BUYER, the other party shall have the following remedies, subject to the provisions of Paragraph 12:

- a. If SELLER defaults, BUYER may (i) specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property; or (ii) terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or inequity. If BUYER elects to terminate this Contract, the Earnest Money shall be returned to BUYER subject to the provisions of Paragraph 12.
- b. If BUYER defaults, SELLER may (i) specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property; or (ii) terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy and not as a penalty or pursue any other remedy and damages available at law or in equity.

If as a result of a default under this Contract, either SELLER or BUYER employs an attorney, the defaulting party shall, unless prohibited by law, reimburse the non defaulting party for all reasonable attorney's fees, court costs and other legal expenses incurred by the non defaulting party in connection with the default.

18. SEXUAL PREDATOR NOTICE. Kansas law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at <http://www.kansas.gov/kbi> or by contacting the local sheriff's office.

19. RADON. Every buyer of residential real property is notified that the property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer. Radon, a class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires sellers to disclose any information known to the seller that shows elevated concentrations of radon gas in residential real property. The Kansas department of health and environment recommends all home-buyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician. For additional information go to www.kansasradonprogram.org.

20. DISCLAIMER. BUYER acknowledges property is being sold without warranties and guarantees of any kind by SELLER or any broker or agent concerning the condition or value of the property. There are no representations or warranties concerning the condition or value of the property made by SELLER or Broker on which BUYER is relying except as may be fully set forth in writing and signed by them.

21. INSPECTIONS. BUYER may, at BUYER'S expense, verify the existing zoning is appropriate for BUYER'S use, conduct environmental or other inspections within _____ days (14 if left blank), the inspection period, of the effective date of this contract. If BUYER'S inspections reveal unacceptable conditions, BUYER may cancel this contract and all earnest money shall be returned to BUYER. Or, BUYER and SELLER may negotiate an acceptable resolution of said conditions. If negotiations are not completed successfully within _____ days (5 if left blank) after SELLER'S receipt of BUYER'S offer to renegotiate, either may cancel this contract with written notice to the other. If BUYER fails to conduct inspections and provide a written report from a qualified third party inspector within the inspection period, BUYER shall have waived any rights provided by this inspection clause.

SELLER and BUYER jointly and severally agree to indemnify and hold the listing and selling brokers harmless any and all claims, actions, damages, liability and expense including, but not limited to, attorneys and professional fees incurred in connection with any preventative, remedial or other clean-up action necessary to comply with all applicable federal, state, and local environmental laws, rules, regulations or ordinances. SELLER warrants that to the best of SELLER'S knowledge and belief after due inquiry, the property complies with and SELLER is not in violation of and has not violated any applicable federal, state and local environmental laws, rules, regulations or ordinances.

Subject to any inspections permitted by the terms hereof, and cancellation of this agreement as allowed herein, BUYER agrees to purchase the property in its present condition only, without representations, warranties or guaranties of any kind by SELLER or any real estate licensee concerning the condition or value of the property. BUYER understands it has been suggested that inspections be performed, that it is important for BUYER to independently investigate conditions at the property and that neither the SELLER nor real estate licensees involved, are experts at detecting or advising on conditions existing at the property. Any express warranty or representation by SELLER or the real estate licensees is specifically set out herein:
